Garden Waste Collections

Good news for all busy home gardeners! Garden Waste collections will start again from 29th February 2016. The fortnightly garden waste (brown bin) service will resume on existing routes from 29th February 2016 and will continue until 3 December 2016. Collection days will be the same as last year. Using the brown bins helps to recycle garden waste, save money on disposal and reduce the carbon impact on the city. The brown bin can be filled with grass, hedge clippings, weeds, bedding plants, leaves, twigs/small branches and fruit that has fallen to the ground.

Scams

The Met Police have released a useful booklet called, "the little book of big scams". This is certainly worth a read and it can be found by clicking the link below/copying it into your browser.

Local History-Pool Country Players

In the 1920's and 30's, under the name of The Nightjars, a small group of Pool villagers produced plays in various village halls. Known later as The Village Players and the Pool Amateur Dramatic Society, they played in the old school on Main Street. Reassembling after the war, in 1947, the group was renamed The Country Players. They played in the Methodist school room and then had to cart all their equipment over to the old Methodist Chapel on Chapel Row.

August 1958 saw great rejoicing when the new village memorial hall was opened on Arthington Lane. In just two months they held their first production. Now they had proper facilities, a stage, lighting and curtains. Three productions were held each year with profits given to charity. The Country Players won many awards; the Premier Award at the Harrogate Festival; 2nd in The Harrogate Corporation Trophy and a trophy for Best Performance in the British Drama League (Leeds Area Competition).

The company was disbanded in 1983 due to lack of support and production costs.
