As most will now know, we parted company with our 1<sup>st</sup> team management/coaching team in March. This was a difficult decision but one we had to take as relegation loomed and, unfortunately their methods simply did not suit us. Our thanks go to Dimitris and his team for stepping in last August when we were in a very difficult position. They took on the job in hand, got a squad together, added to it as needed and generally got us underway with some good early results, and ultimately seeing us into the Wharfedale Cup semi-final. So thanks to Dimitris, Anthony and Mark. Thanks also to Wayne Hoban and Michael Jordan for taking over the task of keeping us in the West Yorkshire League Division 1. I wish them well for a job I know that they and the players are capable of achieving.
