Newsletter **August 2019**

Another season is upon us with all the excitement of everything to play for.

I am delighted to confirm that we have a brand new under 21 academy team playing midweek. This will be a great stepping stone from junior to senior football allowing the lads to be also available for the senior squads in the West Yorkshire League on Saturdays.

This blend of experience and youth in the senior set up can only strengthen our squads.

It was a great end to last season with a strong league finish and Wharfedale Cup win for the first team along with a League and Cup double for the under 17 team – this really has set us up for a season we can only be very positive about.

We had new management in place for our first team late last season, intending to continue their success into the coming season.

The reserves also have a new manager, but help is required either as an assistant or to take the position, our current incumbent more than happy to help any change over. Anyone interested in this rewarding roll as we bring our youth players into the senior set up can contact any club official.

We have started in good time with twice weekly training and plenty of friendly matches.

The first team play seven league matches in August, so it is crucial that we are ready, the players committed, so we grab those early vital points.

All the signs so far suggest that we are more than ready!!

Our extensive Junior Section goes from strength to strength. A new under 16 team being added this season, resulting in a very strong boys junior section ranging from u8's – u16's playing league football.

As ever, the u6's/u7's continue to thrive and will be training most Saturdays mornings along with playing friendlies/tournaments.

It is great to also see our Junior Girls section thriving!! We are thrilled to have an U11's girls team playing in the Harrogate League along with younger girls age groups playing friendlies and tournaments.

It just remains for me to wish all our members/players/parents a successful, but most important, enjoyable season here at Pool AFC.
